

COMMONWEALTH
OF MASSACHUSETTS

Middlesex, ss.

To the County Commissioners for
the County of Middlesex.

Respectfully represent Oscar E. Beckvold, Hugh F. Leith and Edward W. Sheehan; that they are the duly elected and acting Road Commissioners of the Town of Concord in the County aforesaid, and have charge of the public ways therein; that Estabrook Road, so-called, in said Town of Concord, is a public way and that common convenience and necessity no longer require that such way shall be maintained in a condition reasonably safe and convenient for travel from a point on said Estabrook Road, at the entrance to R. Emerson driveway, as indicated by a drill hole in rock in said way, and shown on the plan annexed to the original petition (which said point is 2,344.05 feet from the middle of the traveled way of Barnes Hill Road, at its junction with said Esterbrook Road), to the boundary line between the Town of Concord and the Town of Carlisle, on said Estabrook Road; that said way from said point at the entrance of said R. Emerson driveway, has for a long period ceased to be in general public use; that there are no residences served by that portion of said way sought to be discontinued as a public way; and that it would be an inordinate and unreasonable expense upon the said Town of Concord to keep said way in a condition reasonably safe and convenient for travel.

Wherefore the said Road Commissioners hereby pray that the County Commissioners adjudicate that said way shall hereafter be a private way, and that the Town of Concord shall no longer be bound to keep the same in repair, upon condition that the said Town give sufficient notice to warn the public against entering thereon by the posting of adequate notice or notices where such way enters upon or unites with an existing public way.

Respectfully submitted,
OSCAR E. BECKVOLD,
EDWARD W. SHEEHAN,
HUGH F. LEITH,
Road Commissioners of the Town
of Concord.
