

The mouth of the Brook
 The Brook is wider than it should be
 as may be seen by the
 line marked thus *

This Plan Describes the
 Tract of Land Lying between
 the Proposed Boundaries of Jonathan
 Blood and others and of Rivers and is included
 in the Partition of Joseph Wright and others
 with the Road therein delineated and of No. of
 Houses thereon and where they stand with their
 names annexed thereto in the Northernly
 Part of Concord

March 1754 Survey'd by Benjaⁿ Brown
 and Taken from other Plans
 Laid down by a Scale of 100 Rod
 to an inch
